

**Utah School Readiness Initiative  
53A-1b-101 (2014-2018)  
HB 380 (2018)  
October 31, 2018**

**I. Cohort 2 Payout Formula:**

- a. \$1,063,500 – Original loan amount
- b. 7.26 – Cap rate – 5% plus 2.26 Municipal Market General Obligation Bond AAA 10 yr.
- c. \$2,726 – Weighted pupil unit for SY 2014-2015
- d. Payout formula:
  - i. At risk group eligible for payout: number of 4 yr. old students who tested at or below two standard deviations below the mean on the Peabody Picture Vocabulary Test (PPVT) pretest in preschool and remained out of special education at the end of their second-grade school year.
  - ii. Number of students multiplied by the WPU (weighted pupil unit) for the 2014-2015 school year.
  - iii. Number of students multiplied by the WPU times 95% is the amount owed to investors.

**II. Cohort 2 Payment Amount due to Investors for SY 2017=2018, Second grade**

- a. 100 students that tested below 70% on the PPVT pretest remained out of special education.
- b. 100 students x \$2,726 WPU = \$272,600
- c. \$272,600 x 95% = \$258,970

**III. 2018 Cohort 2 payment to Investors: \$258,970**
